These are some of the 500/600 Spots in those that have participated in the last three years, alternating my participation between Tele-movies and films.

My professional career in the cinema goes back behind to 33 years, having worked the first 8 years like electric.

At present provide as of four (trucks) operating complete mobile units for film and advertising, and four teams grip's teams.

A 400 m2 warehouse for loading and unloading of vehicles, storage of accessories (carmounts, Ladder pod, and divers grips supports).

Dollies (Fisher 11 – Fisher 10 – Magnum – Arco – Albatros)
